A Letter From...

# president

Steven H. Kaplan

To the Class of 2007:

I extend my sincere congratulations to all of you on the completion of your degree. I hope you have had a rewarding and challenging experience.

As you ponder on your future plans, I hope you will also take a moment to express your gratitude to the members of the faculty and staff who have helped you prepare for this important milestone in your lives. The University's goal has been to prepare you to lead meaningful lives, both personally and professionally, and to instill in you a sense of social justice and civic responsibility. Your actions in the years to come will be a measure of how successfully we have met that goal. From this perspective, I hope you will always see yourselves as members of the UNH family and strive to improve the lives of others as a sign of your gratitude for the fine education you obtained through the help of our dedicated faculty and staff.

Your professors at UNH have given you foundations and concepts in their individual disciplines and taught you how to apply them to the real world. Life will present you with many opportunities and challenges. I am confident that the knowledge and skills you have obtained at UNH will enable you to take advantage of those opportunities and rise, with strength and confidence, to the challenges that lie ahead.

I thank you for letting UNH be a part of your lives and hope you will return to campus often and see us as an integral part of your future. All of us at UNH are very proud of you.

With my very best wishes,

Steven H. Kaplan  
President

A Letter From USGA...

Derick Latorre

## To the Class of 2007:

Congratulations to you the Class of 2007 on making it through your four years here at UNH. It has been a blur for me, as I still remember attending SOAR nearly four years ago. UNH became my home. I have made many friends and enjoyed every minute of my time here, as I hope you have. And now, we must prepare to jump head first into the "real world."

Wherever life takes you after college, don't forget about your time here. College is often referred to as the "best four years of your life", and it has been a great ride for me. Although our time here has come to end, don't forget to give back and return as proud Alumni.

Moreover I challenge you to leave here and reach towards your highest goal. Grab opportunity and excel in everything that you do. If there is one thing that UNH has taught me, it's to never give up on a dream, as anything is achievable if you work hard and remain dedicated.

I would like to leave you with a quote from Helen Keller: "When one door of happiness closes, another opens: but often we look so long at the closed door that we do not see the one which has been opened for us." So, now that a new door has opened for us, leap through it. I wish you all the best in your future endeavors, congratulations and best of luck!

Sincerely,

Derick LaTorre  
USGA President

# USGA Executive Board

**President:** Derick LaTorre, **Vice President:** Rich Guisti,  
**Treasurer:** Katlyn Picard, **Executive Assistant:** Nikki Nadeau,  
**Sergeant at Arms:** Marquis Bell.

The Undergraduate Student Government Association (USGA) is the organization on campus that represents every undergraduate student in all aspects of campus life. The organization meets weekly to address student concerns, discuss current campus issues, and program events.

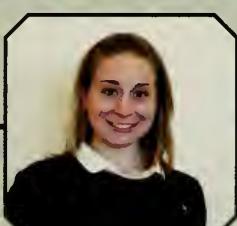

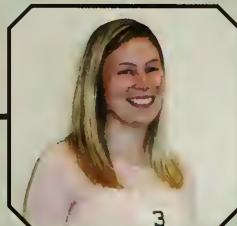

Each student at the university pays a student activity fee, which is used to fund all USGA activities and provide every USGA-recognized club and organization on campus a budget to program social events.

The USGA was in charge of overseeing approximately 50 clubs and organizations this year, a number that truly represents the diversity of interests, academic disciplines, and cultures that exist on campus. Each of these organizations was given a portion of the nearly \$700,000 USGA budget to program a variety of social events including off-campus trips, talent shows, concerts, comedians, carnivals, cultural awareness events, game shows, and more. Students also participated in an unprecedented number of community service activities throughout the Greater New Haven region.

Students also served on a variety of standing committees to address student concerns with food, health and safety, academics, and more. Two new committees were also introduced this year: Community Relations and Residential Issues.

By principle, every undergraduate student is a member of the USGA, and this year showed a wealth of support for the undergraduate students as a whole and for the USGA. As always, the organization was proud to help encourage a wealth of change and improvement across the campus to benefit the students.

The Charger Bulletin is an entirely student run newspaper. Reporting on national news, local news, and on the things that take place right here on campus, our staff writers work hard every week at covering the stories that are most interesting to students at UNH. Our flourishing Arts & Entertainment section covers everything from music and film reviews to gallery openings. We even spotlight student talent with columns such as "WNHU DJ of the Week." We praise our Charger athletes on all of UNH's sports teams in addition to highlighting sports on a national level. Our editorials, from editors, staff writers and the university community, raise issues and cause controversies, but most importantly, get people reading. Practical features like the "Campus Events" calendar and the "Charger Bulletin Board" keep the UNH community in the know, while features like the ever-popular positive/negative recap "The Charger Battery," comics and "Highlighting Clubs at UNH" are fascinating and fun for readers. With our great staff writers and photographers, The Charger Bulletin continues to be something that the University community enjoys reading and remains the first place students turn to for news. Our initiative at The Charger Bulletin is to inform the University of New Haven students and faculty about what matters most to them.

As a team, we've worked hard to bring you the best there is – and in our second year of a full color publication, we made the best even better! Our theme this year is VISION – and our "vision" is to show the world of UNH through our eyes – a place of learning, living, and growing – a place to call home. This book consists of an endless amount of work and responsibility, but a larger amount of pride. We couldn't have made such an amazing book alone; we would like to express our deepest gratitude to all the medias, the residential life staff, the office of student activities, the athletics department, and all the other amazing people for helping us with everything in this book. We hope that you enjoy our VISION and cherish it for years to come.

## To the Graduating Class of 2007 and the University of New Haven:

*That time of the year has come again where we release another volume of the Chariot Yearbook. A countless amount of hard work, time, and effort has gone into the production of this book. With the help of the USGA and many PDA ads, we were able to keep this year's book entirely color for the second year in a row, and add sixteen pages, too. Although this is a very bitter-sweet time, we hope you all enjoy this book, cherish its memories, and share our "vision" for many years to come!*

We would personally like to thank all of those individuals who have helped with this publication, as it would have been impossible without the help of each and every one of you!

**Bob Sasena:** As usual, this experience would have been IMPOSSIBLE without all of your help. Thank you for returning all of our frantic phone calls, and e-mails, and helping us to get through all of those last minute deadlines!

**Shelly Foster:** Thank you for all of your help with our crazy questions. You always were there to help us with our last minute questions and made sure our proofs came out amazing! Maybe we'll actually get to meet you, some day?

**Greg Overend:** Thank you for always being there when we needed your help. This book would not have been possible without all of your support and guidance!

**Silvia Hyde:** Again, Thanks for sticking through the hard times. This publication would not have been possible without all of your support. Oh, and of course all your amazing editing, advising, and proofing!

**Nancy Baker:** Thank you to you and your staff for all your help with senior rosters, mailings, and major lists!

**Matt McCullough & Sue Zawacki:** Thank you for coming through at the last minute with all of the athletics information and photos!

**Jon, Lucia, & Sam (Our Staff):** You guys are the only ones that understand the amount of work involved in this book! The words on these pages can't express the THANK YOU the three of you deserve. Thank you for all of the pictures, time, and effort you put in! WE LOVE YOU GUYS!!!!

**The Charger Bulletin:** Kim and Tim, you guys are the best office mates we could ask for. Thanks for freezing (and sweating) with us in the office throughout the year. We will remember the jokes, laughs, and smiles forever!

**The Medias:** John, Kim, Loukas, Mariel, Robyn, & Tim - You guys are awesome! Each of you made those Friday morning Communication Board meetings more enjoyable. Thanks for all of your support with our crazy ideas!

**Chris Scott:** Your humor made those Friday morning Communication Board meetings that much more fun! Thanks for all of your support with everything we've done this year!

**Everyone involved in USGA:** Thank you for your support and patience with everything we've done this year. This book would not have been possible with all of your help in sending pictures and club write-ups to us correctly and on time!

**Everyone who sent us pictures:** There's so many people, we can't even begin to list all of you! With thousands of photos in this book, we wanted to capture UNH from as many views as possible, and your help made this book amazing! THANK YOU, all of you!

**To the Class of 2007:** You Guys are the BEST! Thanks for all the awesome memories, pictures, and stories that made this year one to cherish!

**LASTLY, BUT MOST IMPORTANTLY,**

**Our Family and Friends:** Thank you for making sure we made it through this crazy, amazing experience. It's the second time around, and this year would not have been possible without your support through all of our bad days, late nights, breakdowns, headaches, temper tantrums and endless amount of complaining! You believed in us from the very beginning and knew we would make it!!! THANK YOU!!!!
